

An Educational Facility for Growing Food Businesses

The Battenkill Kitchen, Inc. (BKI) is an educational kitchen facility located at the Historic Salem Courthouse in Salem, Washington County, New York.

Farmers, individuals, businesses, and community organizations are welcome to use the commercially equipped kitchen to do processing of products for individual use or retail sale, hold educational programs, meetings, and special events. The kitchen provides a space for individual producers to create and process their food product. This New York State Department of Ag and Markets inspected kitchen is a perfect place to launch a small food business without a large capital investment.
